BLACKOUT: Survive the Surge

“Think Fast. Act Smart. Stay Powered.”

Organized by: Department of Electrical and Electronics Engineering

Venue: CR4 (1st Floor Main Block)

Level: National Level Technical Symposium

1. Event Overview:

Blackout is an **engaging and strategy-based survival challenge** designed to test participants' teamwork, crisis management, and spontaneous thinking skills. The event simulates unexpected power failure scenarios where teams must act quickly, solve tasks, and creatively respond to challenging situations.

It is not just a game - it is a test of coordination, logic, adaptability, and smart decision-making under pressure.

2. Event Nature:

- **Type:** Non - Technical Event
- **Category:** Strategy + Role Play Challenge
- **Format:** Two Rounds

3. Event Objectives:

- To encourage teamwork and effective coordination.
- To enhance spontaneous thinking and quick decision-making skills.
- To improve communication and role-play abilities.
- To create a competitive yet fun learning environment.

4. Team Composition:

- Each team can have a maximum of 3 members.
- Open to all departments.
- Inter-college teams are allowed.
- Individual participations are not permitted.

5. Registration Details:

- Registration will be accepted on a first come, first serve basis.
- Limited slots available. On-spot registration only slots are vacant.
- Teams must register online before the specified deadline.
- Once registered, team members cannot be changed.

6. Event Structure:

Round 1: Power Grid Rush

Objective:

To test strategy, quick response, and task execution skills.

Format:

Snake & Ladder styled game board.

Procedure:

1. Teams roll a dice and move accordingly.
2. Each numbered box contains one blackout-related task.
3. Task completion is mandatory to earn points.
4. Landing on a ladder:
 - Move up to the connected box.
 - Complete that task.
 - Earn +1 bonus mark.
5. Landing on a snake:
 - Move down to the connected box.
 - Complete that task.
 - Receive -1 penalty mark.
6. No task can be skipped.

Round 2: Current Confusion

Objective:

To assess creativity and spontaneous reaction through situational role play.

Procedure:

1. Each team picks one blackout scenario chit.

2. Two minutes preparation time will be given.
3. Teams must perform a 2-3 minute role play.
4. All three members must actively participate.
5. The performance must relate clearly to the given blackout scenario.

7. Event Rules & Guidelines:

1. Participants must maintain discipline and respect throughout the event.
2. Mobile phones are not allowed unless permitted by organizers.
3. Any form of malpractice will result in immediate disqualification.
4. Evidence materials, clues, or props must not be damaged.
5. Participants must maintain silence while instructions are given.
6. Arguments and conflicts will not be tolerated.
7. The jury's decision will be final and binding.

8. Judging Criteria (Total: 100 Marks):

Round 1 – 50 Marks

Criteria	Marks
Task Completion	20
Accuracy & Clarity	10
Team Coordination	10
Strategy & Smart Play	10
TOTAL	50

Round 2 - 50 Marks

Criteria	Marks
Creativity	20
Expression & Confidence	10
Team Coordination	10
Audience Engagement & Relevance	10
TOTAL	50

9. Event Timings: 10 am to 1:00 pm

10. Safety & Compliance:

- All participants must adhere to college safety regulations throughout the event.
- Organizers will supervise all setups.
- The use of hazardous materials or high-voltage equipment is strictly prohibited.
- Any misconduct or violation of event rules will result in disqualification.

11. Expected Outcomes:

- Encourages logical thinking and analytical reasoning.
- Enhances problem-solving ability in high-pressure situations.
- Promotes effective team collaboration and coordination.
- Strengthens confident decision-making under pressure.

- Develops practical crisis management and adaptability skills.

12. Event Coordinators:

1. Prabakaran M
2. Anjanna.K R A
