SPARK THE BRAIN: The Ultimate Mind Arena

“Fuel your logic. Own the stage.”

Organised by: Department of Electrical and Electronic Engineering

Venue: Main Block (announced on event day)

Level: National level Technical Symposium

1. EVENT OVERVIEW:

SPARK THE BRAIN is a dynamic three-round technical quiz event that tests participants' knowledge, logical thinking, and practical understanding of electrical concepts. The event combines MCQs, visual fault-finding challenges, and equipment decoding puzzles to create an engaging competition. It aims to encourage students to apply technical knowledge beyond textbooks. What makes it unique is its innovative mix of quiz formats and real-life problem-solving scenarios.

2. EVENT NATURE:

- **Type:** Technical Event
- **Category:** Quiz Competition
- **Format:** Three Rounds

3. EVENT OBJECTIVES:

- To enhance analytical thinking and technical problem-solving skills.
- To encourage application of electrical concepts in real-life scenarios.
- To promote teamwork and effective decision-making under pressure.
- To develop observation skills through visual and logical challenges.
- To create a competitive platform that fosters innovation and confidence among students.

4. TEAM COMPOSITION:

- Each team must consist of **2 participants** only.
- Participants must belong to the same institution.
- Inter-department teams are allowed.
- No individual participation is permitted.

12. Participants must report to the venue at least 15 minutes before the event begins.

7. JUDGING CRITERIA (TOTAL:100 MARKS):

Criteria	Description	Marks
Technical Knowledge	Accuracy and clarity in answering quiz and equipment questions	40
Logical & Analytical Skills	Ability to analyze faults and decode visual challenges	35
Speed & Team Coordination	Quick response, teamwork, and confidence under pressure	25
Total		100

8. SAFETY AND COMPLIANCE:

- All participants must follow college rules and maintain proper discipline throughout the event.
- The use of mobile phones, smart devices, or any unauthorized materials is strictly prohibited.
- Participants must handle all displayed materials and equipment carefully.
- Any form of misconduct, malpractice, or violation of rules will result in immediate disqualification.
