PAPER PRESENTATION: Innovate • Research • Present

“Where Ideas Speak Louder Than Words”

Organized by: Department of Electrical and Electronics Engineering

Venue: KRS-Seminar hall

1. Event Overview

Paper Presentation is a technical event that provides a platform for students to present their innovative ideas, research findings, and technical knowledge in front of a panel of judges and audience.

This event encourages participants to explore emerging technologies, enhance analytical thinking, and develop presentation skills. It is not just about presenting a paper, but about confidently communicating ideas with clarity and impact.

2. Event Nature

- **Type:** Technical Event
- **Category:** Research & Innovation
- **Format:** Single Round (Presentation + Q&A)

3. Event Objectives

- To provide a platform for students to showcase research and innovative ideas.
- To promote analytical thinking and problem-solving skills.
- To enhance technical presentation and communication skills.
- To encourage students to explore emerging technologies and real-world applications.
- To build confidence in defending ideas during Q&A sessions.

4. Team Composition

- Each team can have a maximum of 3 members.
- Individual participation is also allowed.
- Team members cannot be changed after registration.

5. Registration Details

- Registration will be accepted on a first come, first serve basis.

- A total of 20 teams will be allowed to participate.
- Teams must register online before the specified deadline.
- Abstract submission is mandatory during registration.

6. Event Rules & Guidelines

1. Each team will get 10-12 minutes for presentation and 5 minutes for Q&A.
2. Presentation must be prepared using PowerPoint (PPT).
3. Maximum 12 slides are allowed (excluding title and thank you slide).
4. Topics Allowed: Open Domain (Technical & Innovative Topics).
5. The presentation must be original work of the participants.
6. Plagiarism will lead to immediate disqualification.
7. Participants must report 30 minutes before the event starts.
8. Judges' decision will be final and binding.
9. Participants must maintain formal dress code and discipline

7. Judging Criteria (Total: 100 Marks)

Criteria	Description	Marks
Technical Content	Depth of knowledge, accuracy, research quality	25
Innovation & Originality	Creativity and uniqueness of idea	20
Presentation Skills	Clarity, confidence, communication	20
PPT Design	Slide quality, visual clarity, organization	15
Q&A Performance	Ability to answer questions confidently	15
Time Management	Adherence to time limit	05
	TOTAL	100

8. Event Timings: 10.00am to 1:00 pm

9. Safety & Compliance:

- Participants must follow college rules and regulations.
- Use of offensive or inappropriate content is strictly prohibited.
- Participants must bring their presentation in pen drive and email backup.
- Any misconduct will result in disqualification.

10. Expected Outcomes:

- Enhances research and analytical skills.
- Improves public speaking and communication abilities.
- Encourages innovation and technical exploration.
- Builds confidence and professional presentation skills.
- Promotes inter-college technical collaboration.

11. Event Coordinators

- Event Heads:
 1. Srikanth.N
